Basic sewing supplies

1. Transfer 3dem44, 3dem45, 3dem46 designs in your machine format to your machine.
2. Layer together Red organza, Krinkle magic, Red organza and place into your hoop.
3. Thread machine with rayon thread in both the needle and the bobbin
4. Stitch one each of the three sizes to make 10 flowers
5. Hoop the green organza, Krinkle Magic, and green organza as you did with the red
6. This time stitch 10 of the largest design (leaves)
7. Heat cut all pieces from the organza
8. Stack and glue the poinsettias together with the leaves on the bottom
9. Cut the block of Styrofoam to fit tightly into the votive candle and glue in place
10. Wrap the dowel with the 1"wide gold ribbon and glue to hold
11. Place a small amount of glue to the back of each flower and pin to the Styrofoam ball
12. Place ball on top of dowel
13. String beads, draping in three points, around the ball and pin in place.

If you have any additional flowers remaining or fabric to make more you can attach these to napkin rings and candles with glue.
